DULINS BASEBALL INSTRUCTIONAL LEAGUE

Dulins Baseball Professional Instructors focus on the Recreational Player who wants to improve his skill while enjoying playing the game. Specific individual instruction will be provided in a fun, yet learning environment. Instructors will provide moral support and constructive correction to help players compete in an instructionally based, competitive atmosphere. Instructors will also provide input and guidance as progress is made by each player. Our sincere hope is that this league helps participants learn to thrive in not only the physical aspect of playing the game, but the mental approach as well. Our goal is to help the player feel the exhilaration of overcoming the fear of failure. This accomplishment will not only serve the player well in the game of baseball, but also in the game of life.

EASTON.
